

List of USB devices confirmed to work with SEQTRAK

(As of Sep, 2024)

Check the list below for USB devices that have been tested for proper operation with the SEQTRAK.

ATTENTION

-The USB devices listed above have been tested for compatibility with SEQTRAK, however Yamaha does not guarantee proper operation of such devices with SEQTRAK. Yamaha also takes no responsibility for any damage or inconvenience caused by the use of them.

-The specification of the USB devices listed above is subject to change for certain reasons of manufacturers. Please note that they may not operate properly with SEQTRAK depending on the changes.

-For detailed specification and information on the USB devices listed above, please contact the manufacturers of them.

USB Flash Memory
